Agenda - Approved

Working with Nathan Belz to update NC maps…will be a spring project, new maps will be ready for next season

- Recommendations?
- As a part of the process GIS database will be cleaned up…making Kara and Jason project next spring/summer of marking all research sites easier.

–

NCS encourages DOT to continue the bike path along Yankovich and opposes continuation the bike path along the UAF North property line. Motioned By Dan and Seconded by Ken. Unanimous.
