UAMNVirtual Early ExplorersTools

Explore Tools

Play and discover how tools can be used in different ways!

Materials Needed:Clay or Play-Doh, water, a variety of age-appropriate tools (popsicle sticks, crayons, cups, sponges, pipettes, paintbrushes, straws, string, etc.)

Caution: Closely supervise children when using tools.

Activities are intended to be done together with a grown!

Imagine How can these materials be used as tools?

Create: Use the tools to shape clay, paint, draw, or build something.

Experiment Can you use these tools in a new or an unexpected way?

Discover:Look for tools around your home. What are they used for?

Who UsesTools?

We do!

Tools come in all shapes and sizes. We use them for almost everything we do. Human tools since they first walked on Earth hundreds of thousands of s of ave dua TJ EMC ET /P <
